### PRESIDENTS MESSAGE by Maureen Henderson

First of all, I would like to extend a huge thank you to everyone who stepped up and helped out at our recent horse shows. We couldn't have done it without you! All in all, considering the fact that our judge (Amanda Winger) who was judging both shows, called the night before to advise us she would be unable to make it due to a family medical emergency, the show went on, thanks to our Board member Kathy Dombrowski who was working overtime to find a new judge. Luckily, Tamera Coulson was able to step in at the last minute to judge both of our shows and we are very appreciative that she was able to adjust her schedule to accommodate us. Also, thanks to our Trail Judge Lisa Bradley of Granite Bay and our Trail Trials Judge Theresa Haney of Loomis. We also had great announcing on Saturday by Patti Bell and on Sunday by Liz Daffner.

November is our election month. This is when we will be looking for some of our members to join the Board. Several of our current Board members have served multiple terms and have stated they will not be running for a Board position in 2016. If you have ever thought about what you can do to make a difference, please give some serious thought to running for a Board position. All positions are open and you can nominate yourself. If trails are your passion, we have lots going on in that area. If you are interested in seeing more clinics during the summer months, we certainly welcome your ideas. It is always good to have new Board members with fresh ideas.

This year, on December 16, LBHA will host a Christmas party for our members at Round Table Pizza at the Elm Street location in Auburn. Be sure to mark your calendars so you and your family will be able to attend. There is a larger room there to accommodate all of us, so hopefully, you will all come to celebrate the holidays with your "horsey" friends. Happy Thanksgiving to all and tally-ho!

*Maureen*

### TRAYLOR RANCH NATURE RESERVE

Traylor Ranch trails are in great shape. I cancelled both the August and September workdays. I do plan to do some mowing, especially any areas where the star thistle is still coming in.

If you come out and walk or ride the trails, please bring your hand pruners and nip any of those long berry branches that reach out to get you as you walk by.

I'd like to extend a big thank you to all of the volunteers which came out to work this year. Without your help, there wouldn't be a Traylor Ranch.

Get out and enjoy.

If you have any questions about Traylor Ranch, don't hesitate reaching out to me.

## **AREA STAGING AREAS HIT BY THIEVES**

Two LBHA members went for a ride on, Oct 27, and parked at Sterling Pointe. They were just riding back into the parking lot when we saw 2 men jump from the back of our truck, jump in their dark blue Chevy Blazer and take off so fast we couldn't even get any part of their license plate numbers. They had broken the supercab back window of their truck on the driver's side and broke the lock of the truck tool box in the bed and were in the process of stealing things out of it. The members were lucky they interrupted their work. As it is they stole a vest from the back seat and several propane bottles and a full propane tank out of the tool box.

The Riders had seen another member at Granite Bay parking lot when they were there eating lunch and she told them about robbers breaking into a car at Sterling Pointe on Oct 26 and that's why the rider had parked at Granite Bay on the 27th. When she was called to tell her about our robbery, she asked if the car was a dark blue Chevy Blazer. When riders said that it was, she said while she was washing off her horse and getting ready to load her, that vehicle had driven through the Granite Bay parking lot twice. She was kicking herself for not taking a picture of the license plate. Anyway, we have to be vigilant about watching for vehicles driving through these parking lots and take pictures of their license plates or try to memorize the plates until you can write them down. It was reported it to the sheriff and they took the report. Riders wonder if purchasing signs saying the parking lot has cameras would do any good.

Also, last Friday, the reporting riders were going toward Rattlesnake when nine mountain bikers met them, coming down from Rattlesnake. Their stated reason was that one of their riders was injured so they couldn't handle the deep sand on the lower trail. Park Dispatch was called and they actually got a call back from a ranger stating they would cover the upper and lower trail at Sterling Point and try to catch them. The riders followed their tracks all the way back to Sterling Pointe where their tracks went up the trail into the back of the development just before you get back into the parking lot at Sterling Pointe. Don't know if the rangers met up with them, but that is the first time riders have gotten a call back when they called in a report. We have to continue to be vigilant. Please pass this information on to the other riders.

In addition, another member was parked across from Truebloods old home one day this week and when she came back from her ride, saw men driving an old green truck walking around her rig. Nothing is safe!!!!

Please be vigilant. If you can get a photo of vehicle (and license plate) that look or act out of place do so, just in case.

Bulletin Board, Trail Map, and Outhouse at Trailhead

Horse Trailer Parking on West side

Turn off Highway 88 at the Woods Lake signpost. Follow a narrow paved road and turn off at the trailhead signpost shown above.

Do not attempt to bring a horse trailer into the campground because of sharp turns and low overhead branches. Pay the \$5 day-use fee at the trailhead parking lot. There are spaces for three horse trailers. There are no hitching posts and no water; just a bulletin board and an outhouse.

A trail map is posted on the bulletin board and you can photograph this with your iPhone for convenient reference.

Trails lead steeply upward to Round Top Lake and Winnemucca Lake. These trails connect to the Pacific Crest Trail that crosses Highway 88 near Carson Pass.

## **Loomis Basin Horsemen's Association Minutes October 21, 2015 Round Table Pizza Meeting Room Loomis CA**

The meeting was called to order at 6:45 PM by President Maureen Henderson. Introductions were made by members.

A discussion was held regarding the LBHA October 10 and 11, 2015 Horse Shows. The shows had a slight drop in attendance. A suggestion was made to place additional signage advertising the shows within the park and at various street locations. It was also suggested to place a community announcement on Craig's List.

Dave Faoro gave a brief report on Traylor Ranch. There is less dumping of horse manure at the site. In addition, there was a discussion to place Traylor Ranch on the Park Watch web site.

Robert Sydnor reported on conditions of several local trails. He stated that he has completed 61 descriptive trail reports. They are posted on the LBHA web page under "Trails."

Kathy Dombrowski reported there are still problems with cars blocking the gate entrance for Horse Trailers. She suggested that members take pictures of license plates and report violations to the Sheriff immediately. Sheriff has to see the actual violation to issue a citation. Discussion on this issue will continue at the November meeting.

Maureen Henderson attended the MAC meeting Oct.20, 2015. The main topic was the proposed development of the Bickford Ranch property on HWY 193 and Sierra College. The developer is seeking approval for the development of 1,890 units with 27 rural (1-10 acre) lots. In addition there will be a high density housing plan incorporated into the future development site. The plan also calls for 45 miles of multi-use trails with an equestrian staging area. Due to the impending development, rattle snakes have become an issue for neighboring properties. Nov. 5, 2015 will be the next meeting of the Planning Commission. (See Maureen's detailed notes, attached.)

Pat Gibbs presented a draft of the LBHA position on multi-use trail safety. The draft covered: Trail Design, Land Management, and Individual Responsibility. The main goal being a trail system that emphasizes safety. (See attached proposal.)

It was announced that at the next meeting, on Nov. 18, 2015, we will have nominations for LBHA Board positions. Voting for the positions will take place during the Christmas Party on December 16, 2015. The party will be at Round Table Pizza on Elm Street in Auburn.

Meeting adjourned at 7:50 PM  
Secretary, Nancy Steuck

Hi my name is Lizzie. I'm a young 10 year old Aussie looking for love. I was born and raised on a ranch and recently my family moved away and left me behind. I'm very well mannered, like horses, chickens, cats and children. I get along with other dogs just so long as they don't live in the same house with me. I'm in need of losing a few pounds – but hey - I'm up for it if you are! You can contact my foster mom Terri @ 530-368-3468
