### PRESIDENTS MESSAGE by Maureen Henderson

Fall is in the air and our annual horse shows are coming up in just a couple of weeks. We hope to have a good turnout, but even more than that, we are hoping many more of our members will step forward and sign up to help with these shows. This is the one big fundraiser our club puts on each year. It is with funds from these shows that we can support improvements to our local trails and support Traylor Ranch. This month LBHA was able to donate 25 bales of high quality grass hay to victims of the Amador and Lake County fires. We can only afford to do these things when we have funds and we need to replenish these funds to keep our club viable.

This year our Board of Directors has tried something new -- to plan fun events for our membership so more are wanting to participate and be involved, so our club can grow. This means that these Board members spend many hours and several weekend days throughout the spring and summer to plan and organize the events we have been holding at the arena. Also, each year, when it is time for the shows, several of the Board members give up their entire weekend to work at the show. And, because, as is often the case, a few carry the burden of making these shows successful, they reach the burnout point. We cannot continue to run these shows without your support. Each year, the Board discusses not having the shows in the following year. However, we need to have some form of fund raising to maintain our club. We have attempted to make it easier on all by going to a software volunteer program where you can sign up and select your date and time. At this time, there are still many vacancies which need to be filled prior to the show dates. If you would like to volunteer but prefer not do so through the online program, please contact me directly at (916) 663-9362 and I will be happy to review the open positions and sign you up manually

If our membership wants to continue to have these very popular shows in the fall, I ask, once again, that you help the Board, and your Club, by signing up to volunteer at these shows. It doesn't need to be for a whole day, just a few hours. The more who help, the easier it will be to continue to have our shows. Thank you in

*Maureen*

### TRAYLOR RANCH NATURE RESERVE

Traylor Ranch trails are in great shape. I cancelled both the August and September workdays. I do plan to do some mowing, especially any areas where the star thistle is still coming in.

If you come out and walk or ride the trails, please bring your hand pruners and nip any of those long berry branches that reach out to get you as you walk by.

I'd like to extend a big thank you to all of the volunteers which came out to work this year. Without your help, there wouldn't be a Traylor Ranch.

Get out and enjoy.

If you have any questions about Traylor Ranch, don't hesitate reaching out to me.

## INFO ON LOCAL DEVELOPMENTS IN PLACER COUNTY

If you want to know more about land development in your area go to the Placer County web pages. This is the start of your opportunity to comment on projects in the County. The local Municipal Advisory Boards will often hear project proposals at the earliest stages and again when ready to proceed to the Placer County Planning Commission and then the Board of Supervisors. Below are few land development webpage addresses.

<http://www.placer.ca.gov/browse/county-and-government>

This Placer County webpage has hyperlinks to information such as the Board of Supervisors, Placer County Codes and Regulations, and Municipal Advisory Boards and a list of current development projects undergoing major environmental review.

<http://www.placer.ca.gov/departments/communitydevelopment/envcoordsvcs/eir>

The webpage has a list of existing environmental documents such as **Bickford Ranch** near Sierra College and Highway 193 proposing 1900 residential lots, **Hawk Homestead** at the NW corner of Barton Rd and Cavitt Stallman proposing 108 residential lots, and **Rancho Del Oro Estates** on Olive Ranch Rd proposing 89 lots. Go to this webpage for the whole list of projects and to review and download the environmental documents.

<http://www.placer.ca.gov/departments/communitydevelopment/envcoordsvcs/negdec>

This website page has a list of County generated projects such as the new animal shelter, Sheridan General Plan update and a list of private development projects mostly relating to minor land divisions. There is useful information about these projects, however, they will not be required to prepare full environmental impact report.

<http://www.placer.ca.gov/departments/communitydevelopment/envcoordsvcs/ceqa-active-projects>

This webpage has a list of the latest proposed development projects. Such as **Barton Ranch** at 8190 Barton Rd. a 10 acre parcel proposing 10 lots, and **Belcara Subdivision** 18399 Foresthill Rd. a 169 acre parcel proposing 39 residential lots. Many more projects are listed here. This is large list of projects in the review process and is a good place to find out about projects early in the development process.

State Park information is a little more confusing and webpage addresses are more cryptic but worth perusing.

Ca State Parks news releases can be found on this web page: [http://www.parks.ca.gov/?page\\_id=712](http://www.parks.ca.gov/?page_id=712) or <http://www.parks.ca.gov/> then hyperlink **NEWS**. You can also subscribe to the newsroom for email updates on this page. You will find CEQA notices and proposed rule making notices as well.

[http://www.parks.ca.gov/?page\\_id=24407](http://www.parks.ca.gov/?page_id=24407) This page will get you to public meeting notices and announcements as well as CEQA notices.

Folsom State Recreation Area is developing its' **Road and Trail Management Plan** the anticipated completion date July 2016. The webpage: [http://www.parks.ca.gov/?page\\_id=28192](http://www.parks.ca.gov/?page_id=28192)

The RTMP will: identify new trail routes to be developed; make decisions regarding whether to keep and adopt, eliminate or re-align non-system (user-created) trails; prioritize maintenance needs; make recommendations on changes-in-use designations for specific trails. Change in Use requests have been filed on many trails in Folsom requesting the addition of bikes on Browns Ravine Trail and Pioneer Express Trail, among others. The RTMP will have to be completed before the Change in Use requests can be finalized.

## Introduction

Equestrians will enjoy the trails within the Las Trampas Ridge Regional Wilderness. There are rental stables where you can board your horse for overnight, a large parking lot horse trailers, and a staging area.

The city of Danville is only four miles away, with lots of amenities (motels, restaurants, supplies).

Access is by Interstate 680 from Walnut Creek, then exit on **Crow Canyon Road**, then turn northwest onto paved **Bollinger Canyon Road** (shown in blue on the regional map at left).

There is a detailed 4-page version of this report on the LBHA website.

The regional trail system connects into trails at Mount Diablo.

A horse-trail connects to  
this free parking lot.

## **CONGRATULATIONS:**

**LBHA would like to congratulate Action Coalition for Equestrians (ACE) on their recent \$10,000.00 grant from the Ann and Gordon Getty Foundation.**

**The money was given to the non-profit organization "in recognition of the organization's continuing and well-directed charitable activities."**

**This is the second large grant from the Getty Foundation to ACE. So far, they have given \$30,000.00 for ACE's work.**

## **HORSE SHOW TIME**

The two benefit shows are almost here and we still need lots of help. Please sign up for a spot to volunteer at either show. There is an on line link to do so, If you would like to volunteer but prefer not do do so through the online program, please contact Maureen Henderson directly at (916) 663-9362 and She will be happy to review the open positions and sign you up manually . Just sign up for 1 or more spots and that would be a great help. One thing that we need is an announcer for Sunday,s our Sunday Announcer will be unable to be at the show. So if interested please let Maureen know ASAP.

Del Oro will be providing the food for the both shows, and we will also have a photographer: Dillon Schneider, has been the photographer for the Del Oro FFA Chapter since the Summer of 2012. He has been photographing equine, livestock, portrait, and landscape scenes professionally for quite some time now. Photography and Agriculture are two of his main passions. He wants to share it with you and your family. Please don't forgetto take advantage of this opportunity. Dillion will be taking photos at the show—be sure to get your win picture or action shot. All monies he makes will help FFA youngsters to the 2016 FFA Convention.
